## Are you helping someone to retain his or her independence by helping with the challenges of daily life?

MemBo Noticeboard can alleviate Carer overwhelm, enabling you to assist your loved one for longer.

It replaces Calendars, Whiteboards and Diaries with a live Noticeboard that displays Appointments, Notes and Photos on Tablets & Mobile Phones, and can be updated by multiple Users from anywhere.

## Around \$1-a-day to keep the worry & stress at bay

- ✓ Noticeboard can be checked at any time reducing the need for phone calls for reassurance
- ✓ Tablet does not have to be touched to view information
- ✓ Information can be updated by multiple users, and displayed immediately
- ✓ Noticeboard automatically reverts to selected display

### Not living close by?

- ✓ Noticeboard can be accessed from any mobile, tablet or computer
- ✓ Online Family Hub provides a central spot to share notes away from the Noticeboard eg nurse visits, travel plans
- ✓ Upload a photo with a caption and display on the Noticeboard for a short period of time
